KOKET | LOVE HAPPENS

DEAR KOKET DEVOTEES

Never has the time felt more right for me than now to develop a brand that is truly a personal reflection of who I am. KOKET offers a glimpse into my world and everything that moves me. It is what I believe in, where I have been, and where I will take the brand; all closely tied to my personal growth.

I am comfortable taking risks—and often, turning heads and commanding attention. KOKET is not about design trends or fulfilling design voids. It is a highly edited collection—not just of pieces of furniture, but a collection filled with the experiences, simple pleasures, passions and life events that have shaped me.

My Guilty Pleasures and Exotic Opulence collections are composed of dramatic case goods, luscious upholstery, exquisite lighting and decadent furs, made from sought-after, high quality materials.

Within my collection, I embody the multiple, complex and beautiful sides of a woman, truly speaking to her inner desire. My favorite representation of this is the striking Divine Armoire. The natural iridescent peacock feathers represent the exotic inner goddess, while the golden ribbon handle channels the fantasy and innocence of a young girl. The interior is lined with decadent antique mirror, a finish that helped inspire my creativity and the creation of KOKET.

I am constantly working to grow the brand to offer women the KOKET lifestyle. I am pleased to say that in 2016 KOKET plans to launch their own fabric collection filled with an array of plush velvets, smooth satins and supple leathers.

Through KOKET I will share ma joie de vivre and coquettish frill while empowering you to follow my lead and take risks to create your own sense of individual style—for yourself, your home and your life.

Fall in love with KOKET and let me empower you through my collection!

With all my love,

**BRABBU IS MORE THAN A DESIGN BRAND,
IT IS A STATE OF MIND.**

BRABBU is a design brand that reflects an intense way of living, bringing fierceness, strength and power into an urban lifestyle. We design and produce a diverse range of furniture, like casegoods, upholstery, lighting, rugs and accessories that tells stories from the nature and the world.

Created in 2011, BRABBU debut for the interior design community was in September at Decorex International trade show in London. Since then, the brand regularly attends in the main design events like Maison & Objet Paris, iSaloni Milan, Light + Building Germany, ICFF New York, High Point North Carolina and AD Show New York, among many others.

Besides the shows, BRABBU has been chosen to be part of important residential and hospitality projects like The Emirate Hills in Dubai by Nikki B Interiors, The Castel Brac à Dinard Hotel in France by Sandra Benhamou or the ERWIN restaurant and bar in Moscow by MMZ Project..

Since November 2015, BRABBU has also a new home: the COVET London Apartment, gathering luxurious furniture pieces in the heart of Chelsea.

The most iconic pieces were featured in renowned interior design, architecture and decoration magazines: Elle Décor, Bridge for Design or Residence Russia are some examples, being the cover of several ones like AD Russia in 2015.

CIRCU wants to create educational moments through our dreamlike ambiances. Emotional Intelligence is one of the most important aspects during the very first years of any child's life, so our commitment is to push it forward and to cultivate it.

For kids, their bedroom is more than just a place to sleep. It's where they do schoolwork, play games, roughhouse, read, daydream, play with friends and stockpile toys. As you plan your child's bedroom, you'll need a space that serves all those functions. CIRCU will present to you some of the most amazing bedroom décor ideas, to help you create their dream bedroom.

Now parents cannot punish their children by telling them to go to bed earlier or to go to their bedrooms. With CIRCU the bedroom will be their favorite room of the house. Parents will have to be more creative when punishing their little rebels!
