A tall, light-colored wooden cabinet with two doors and a drawer at the bottom. The doors are decorated with large, rectangular mirrored panels. The cabinet has a clean, minimalist design with visible hinges and handles.

A second tall, light-colored wooden cabinet, similar in design to the first, featuring mirrored panels on its doors. It is positioned to the right of the first cabinet.

A rectangular dining table with a light-colored, glossy top and a dark metal frame. The table is set with a large, shallow, light-colored bowl. The chairs are upholstered in a light color with dark frames.

Four white ceramic vases of varying shapes and sizes are arranged on top of the cabinets. A large, circular sunburst mirror is mounted on the wall behind them.

A white, modular shelving unit with several cubbies. Each cubby contains a different style of vase or decorative object, creating a display of various ceramic pieces.

A portion of a sofa with a blue and white patterned fabric is visible in the background, along with a green plant.

A modern chandelier with a dark metal frame and several hanging glass or crystal elements, positioned in the upper right corner of the room.
