SELEZIONE DELLE REFERENZE

Selected References

Le superfici Laminam applicate alla visione di architetti, di designer e progettisti. Facciate, interi edifici, pareti e pavimenti interni, mobili e complementi d'arredo.

Infinite possibilità espressive rese possibili dalla sinergia che Laminam instaura con tutti i suoi interlocutori. Mettiamo a disposizione la nostra esperienza, ma soprattutto le nostre superfici, tutte con la stessa cifra di eleganza ed essenzialità che caratterizza la nostra filosofia e che donano alle superfici su cui vengono impiegate una identità unica ed irripetibile.

Laminam surfaces applied to the vision of architects, designers and interior designers. Façades, entire buildings, walls and indoor floors, furniture and interior furnishings.

Endless expressive possibilities that are possible thanks to the synergy that Laminam establishes with all players. We provide our experience, but above all our surfaces, all with the same elegance and striking appeal which distinguish our philosophy and lend the surfaces on which they are used a unique and unrepeatable identity.

The image shows a modern building facade with a curved, metallic, vertically-ribbed surface. A large, three-dimensional logo is mounted on the wall. The logo consists of a stylized, white, wavy symbol above the words "GRAN" and "RENO" in large, white, sans-serif capital letters. The letters have a slight shadow, giving them a 3D appearance. The building's facade is composed of vertical panels in various shades of beige and light brown. The sky is clear and blue. Two security cameras are visible on the roofline.
