## FINITURE LACCATE

Le finiture Laccate rispecchiano le finiture del lusso e dell'eleganza rivalutate nella loro applicazione più tradizionale. Esse hanno la particolarità di creare riflessi di luce unici pur non essendo lucide.

Le laccature permettono di arricchire ogni ambiente o singolo oggetto con stile e design.

Le finiture Laccate possono essere applicate su legno, metallo o vetro.

## LACQUERED FINISHES

*The Lacquered finishes are a perfect middle ground between a glossy and a matte, as they create unique reflections of light while not being too bright. Lacquers allow to enrich every room or single object with style and design and can be applied both on wood, metal or glass.*
