

A modern bedroom interior with a minimalist aesthetic. The room features a bed with a textured, grey headboard and dark bedding. To the left, a large, arched window is set into a light-colored wall. Below the window is a dark, geometric bedside table with a circular metal ring and a cone-shaped object on top. A floor lamp with a circular metal ring is visible on the far left. The overall color palette is neutral, with greys, blacks, and off-whites.

Dorian è un'antologia di dettagli pregiati, un esercizio riuscito di perizia artigianale. Lo dimostra la sapiente lavorazione capitonné a losanghe della testiera, delicatamente arcuata, che si chiude in un elegante ricciolo. L'armonia delle proporzioni, i tipici piedini a cipolla, i dettagli sartoriali: tutto concorre a delineare uno stile inconfondibile.

Dorian is an anthology of exquisite details, a successful exercise in artisan workmanship. Testimony of this is the exquisitely crafted diamond button tufting on the headboard which arches gently backwards and culminates in an elegant curl. The perfectly balanced proportions, the typical onion feet and the bespoke tailored details: everything combines to make an unmistakable style statement.

*Non sognare la tua vita,

L'aspetto signorile di Dorian è l'esito della rilettura in chiave contemporanea di alcuni intramontabili cliché. La scelta dei rivestimenti, della biancheria e degli accessori tessili è l'ulteriore passo per sottolineare la sua unicità.

The aristocratic appearance of the Dorian bed is the result of contemporary restyling of some timeless details. The choice of upholstery, bed linen and textile accessories just go to underline its unique nature.

La raffinata forma a ricciolo della testiera è solo uno dei tratti distintivi di Dorian. La sapiente lavorazione capitonné crea un opulento e ricco motivo a rombi regolari, sottolineato dalle ribattiture e scandito dai preziosi bottoni rivestiti. Un letto da protagonisti dello stile.

The refined curl on the headboard is just one of the standout features of Dorian. The exquisitely crafted button tufting creates a rich, opulent, regular diamond-shaped motif that is accentuated by the piping effect and gorgeous covered buttons. A real trendsetter's bed.

EVERY END IS A NEW BEGINNING.

START

All'origine di ogni letto Twils c'è un sogno: quello di avverare i sogni di tutti. Per riuscirci servono passione, competenza, inventiva e la ricerca di forme, idee e soluzioni sempre nuove, attuali, performanti, perché sognare è un atto creativo, talvolta rivoluzionario.

Every Twils bed starts life as a dream: to make everyone else's dreams come true. To do this you need passion, skill and creativity, you need to seek out the latest, contemporary and high-performance shapes, ideas and solutions. Because dreaming is a creative and, at times, revolutionary act.

BOISERIE SET SLIM

Con i pannelli modulari della boiserie Set si creano pareti personalizzabili all'infinito, grazie a una componibilità semplice e razionale, favorita dalle diverse misure degli elementi. Grazie al ricchissimo campionario tessile Twils ogni composizione risulterà unica.

The Set modular panels allow you to create a never-ending number of personalised walls, thanks to their straightforward, rational modularity and different sized elements. And with the extensive Twils fabric selection, every composition is unique.

Alla boiserie può essere accostato un sommier rivestito con tessuti che riprendono quelli della composizione, con un effetto di elegante armonia. La sponda posteriore del giroletto ha uno spessore ridotto, che favorisce l'appoggio evitando che si formino inestetici spazi tra materasso e testiera.

A sommier can be placed up against the panels and upholstered in fabrics which match the wall composition for an elegant and harmonious effect. The back side of the bedstead is narrower than the others, so the bed can be placed against the wall without creating any unnecessary space between the mattress and the headboard.

The wall can be accessorised with shelves and specially designed lights; these simple elements are easy to fit, thanks to a safe and practical hooking system that ensures maximum comfort.

Con la boiserie monocromatica e il sommier posizionato al centro della parete, la composizione assume uno spirito spiccatamente contemporaneo, temperato da un armonioso rigore formale.

With monochromatic panels and the sommier positioned centrally against the wall, the composition looks decidedly contemporary, complemented by its harmonious minimal style.

NEVER GO TO BED MAD

STAY UP

Il buon design si deve porre l'obiettivo di rendere le persone felici a livello funzionale, estetico, emozionale. La casa è l'espressione della nostra personalità, il posto dove possiamo e dobbiamo fare esperimenti creativi, concederci un capriccio, circondarci solo di cose che ci fanno stare bene.

The goal of good design is to make people happy on a practical, aesthetic and emotional level. Our home reflects our personality, it is the place where we can and must experiment creatively, satisfy our whims and surround ourselves with things that make us feel good.
